## Vote for Paul Donohue

Mass Pension Reserves Investment Board

Dear MOSES member,

You should have received a ballot for the retirement board within the last few days. I encourage all of the membership to **VOTE** for MOSES attorney and former President **Paul Donohue**, not only because he is a MOSES member but because he is a strong advocate for protecting the memberships pensions, which you have all earned and contributed to throughout your years of employment. Some of these earned rights are being threatened by pension reform and although we are led to believe it will only affect new employees, just look at what is happening in other states across the country.

MOSES and all state employees need a strong advocate for public employees; somebody who knows how the system works. Nobody in this state knows more and is more qualified to do the job than Paul. Please encourage your co-workers to vote for Paul Donohue. Together we can get a seat on the board that will represent **US**, the employees.

Thank you

Joe
